

The Sedgefield Hunt cordially invites you to the annual

Carolinas Foxhound Performance Trial

October 8-10, 2021 at J. Robert Gordon Field Trial Grounds, Hoffman, NC

We welcome you to come join us for our “Foxhunters’ Family Reunion” where hunts from up and down the East Coast bring 5 of their best hounds to form the ultimate “Super Pack” to be handled by an independent huntsman over 9,000 acres that comprise the bird dog field trial grounds, near Southern Pines. It’s a fun-packed weekend with the trial known for its good food and drink (included in the fee), big-running game, and great hound music—a great opportunity to meet many fox hunters from many different hunts. It’s like a regular mounted hunt, with multiple fields, from First Flight to Hilltoppers, to follow this exceptional pack of foxhounds. The sand footing is excellent, and there are no jumps, but many sand roads and fire lanes through the pines.

All fox hunters are welcome, whether or not your hunt competes hounds

Trial Rules: Hounds will be judged on hunting, trailing, speed and drive (full cry), and marking, per MFHA rules, and endurance scores will be given. Hounds must be steady on deer. Please, no first year hounds.

Game: fox, bobcat, coyote

Numbers in the fields will be limited, so send in your reservations now to assure you can join us!

Directions to J. Robert Gordon Field Trial Grounds, Hoffman, NC

The field trial grounds are just south of Pinehurst and Southern Pines, NC. Note: There is no street address, hence no GPS address, for the grounds. However, there is a bird dog trainer next door to the grounds and his street number is 279 Derby Rd., Hoffman, NC which will get you close for time-planning and routing purposes.

Traveling SOUTH from Greensboro, NC, on Rte. 220: Route 220 is a very good, interstate-quality Highway—easy ride down. It takes about 1 1/2 hours from Greensboro to the field trial grounds. Going down Rte. 220, take the 2nd Candor exit, Exit 41, which says Candor Alt. 220. TURN LEFT over the Rte. 220 bridge. As you go into the first curve on the left, there is a little Mexican restaurant. Just past it, TURN LEFT (45 degree turn) onto Windblow Rd. Go 6 miles to a stop sign. Go straight across and the road becomes Derby Road. Go 8 more miles to another stop sign. TURN RIGHT, immediately cross a low concrete bridge, then after less than 1/4 mile TURN RIGHT onto the 1st sand road. There's no official sign here, but we'll have a Sedgewick sign. Go a couple of miles, pass straight through a 6-way intersection, go one more mile to the clubhouse & stables. (There's no other structure on the sand roads until the clubhouse).

Traveling SOUTH from Raleigh, NC on Route 1: Go through Sanford, then Southern Pines, then Aberdeen (where hotels are). Then, as you continue south on Rte. 1 look for a little green sign for Pine Bluff. After Pine Bluff look for Sedgewick Homes modular homes, at the corner of Thunder Rd. TURN RIGHT onto Thunder Rd. (This road is hard to see and the road sign is over on the northbound side of Rte. 1) Go several miles on this paved road to a stop sign. Go straight across for another mile to a second stop sign (this section is not paved). Back on the paved road keep going straight across a low concrete bridge, then after less than 1/4 mile, TURN RIGHT onto the first sand road. There's no official sign here, but we'll have a Sedgewick sign. Go a couple of miles, pass straight through a 6-way intersection and go one more mile to the clubhouse and stables. *Note: If you miss the turn off US 1 onto Thunder Rd, keep going straight down US 1 several miles to Hoffman. Turn right at the BP Station onto Caddell Rd. Then follow directions from the BP Station, below, to the grounds.*

Traveling NORTH from Rockingham, NC on Rte. 1: Approximately 12 miles north of Rockingham, start looking for signs for Hoffman. On the left will be a BP Station. TURN LEFT there onto Caddell. Immediately (less than 1/4 mile) turn right onto York Ave. York Ave. turns into Derby Road. About 3-4 miles down York/Derby Rd. look on the left for the big wooden sign for J Robert Gordon Field Trial Grounds of the Sandhills Wildlife Area. TURN LEFT onto this sand road and go about 2 miles to a six-way intersection. Take the 2nd left (you will be bearing left, not taking a hard left). Go one more mile to the clubhouse and stables. There's no other structure on the sand road until the clubhouse.
